

We Need Your Help!

Are you 18 to 24 years old, E1 to E4 active duty service member? We need you to participate in group discussions about drinking alcohol, smoking, and dipping. The group discussions are open forums designed so you can speak openly and honestly about tobacco use and drinking alcohol. Your comments will be kept confidential.

During the group discussions, you will be asked to review and give your opinion on several different message points, themes, logos, and Web page designs. We want to hear your ideas and thoughts in order to get a better understanding of your awareness of, attitudes towards, and behaviors regarding tobacco use and drinking alcohol.

Your opinions about drinking, smoking and dipping will help inform two new education campaigns to be launched this summer. You and your fellow service members from San Diego Naval Station, Ft. Bragg, Nellis Air Force Base and Camp Lejeune will participate in making these campaigns useful, meaningful, and effective. So sign up now. You'll be glad you did.

Participation takes about 90 minutes and takes place during lunch and after duty hours. Meals will be provided.
